

LAUNCH YOUR BUSINESS BLUEPRINT

Live Webinar Workbook

with Rosetta Thurman, Founder of HappyBlackWoman.com

How to Get the Most Out of This Webinar

1. Set aside 90 minutes of private time in a quiet room to watch the webinar.
2. Treat this free webinar just like you would a paid class and BE ON TIME.
3. Print out this workbook before the webinar begins so you can write down your notes in the designated boxes as you watch and learn.
4. Be prepared and have a pen and a notebook or journal ready to take notes as soon as the webinar starts.
5. Close Facebook, get off Twitter and put your phone on silent so you can concentrate fully and receive all the valuable insights and tips from Rosetta!
6. During the event, write down ALL the new ideas you get while listening. That way, you won't lose the most relevant information to you.
7. Think about how you can implement the 5-step system revealed in this training to start and grow your dream business this year!
